

*U.S. residency required

Volunteer with us

- No time commitment; on your schedule!
- SFOP will provide educational resources and opportunities you can attend (ex: webinars)
- SFOP will host volunteer events to attend
- SFOP will host fun activities
- You can get service hours!

What do I have to do?

- Join our Discord server [HERE](#)
- Engage in our online community

Become a student ambassador

*open to any college or high school student residing in a closed primary state

For members of the SFOP community who want to take the lead on organizing young people to open up primaries in their state. We will:

- provide resources to you for your endeavors (ex: text/phone-banking)
- connect you with existing campaigns in your state
- support you and your campaign with publicity (ex: social media, op-ed placement)
- You can earn service hours!

What do I have to do?

- Join our Discord server [HERE](#)
- Fill out the application [HERE](#)
- Commit at least 3 hours a week

Become an intern at Students for Open Primaries

For students that are willing to work over the summer to help build the organization at this time. Open to any college or high school student.

- You will be working to shape a new organization and gain valuable experience in political advocacy
- Connections to important people in the non-partisan reform/political sphere
- You can earn service hours!

What do I have to do?

- Fill out the application [HERE](#) by June 20th at 11:59 PM EDT
- Commit anywhere from a minimum hours a week to SFOP work
- Engage in our online community
